Porto Tour  
in BMW R500  
Side Car  
Ref. 25418

## Description

Imagine exploring the most fascinating aspects of Porto, Gaia and Matosinhos on board an elegant classic motorcycle with a SideCar from the 1950s, an exclusive and original 3-hour tour, designed to provide a journey through time with charm, refinement and breathtaking views. The adventure begins in the heart of Porto, with the smooth sound of the classic engine of this iconic classic motorcycle echoing through the narrow, cobbled streets of Baixa.

On board, you glide with elegance and originality past icons such as the Torre dos Clérigos, the Cathedral and the emblematic Livraria Lello. Enjoy the city in a different way and in style. The tour continues to the banks of the Douro River, in the picturesque Ribeira, where the scenery of colorful houses reflects on the water. When crossing the Luis I Bridge, heading towards Vila Nova de Gaia, the exclusive journey becomes the center of attention.

In Gaia, the Port wine cellars are a must-see, with time for a quick visit or tasting while admiring the view from the Serra do Pilar viewpoint. The route continues alongside the river and follows the coast, passing through the fishing village of Afurada, with its genuine soul and living traditions.

On board the motorcycle with sidecar, each kilometer is a celebration of the journey. Arriving in Matosinhos, the atmosphere changes. The sea breeze mixes with the aroma of grilled fish that you can smell in the air. The tour includes a view of the Municipal Market, the extensive beaches and the cruise terminal. The impressive sculpture "She Changes" by Janet Echelman marks the backdrop. This tour is more than a guided tour, it is a sophisticated, comfortable and personalized experience for all motorcycle lovers. A journey through the region's landscapes and flavors, with timeless charm, values authenticity and elegance in a single journey.

Here is what we offer in this program; it is just a suggestion.

Although some tours may not be available on certain days, there may be other alternatives within the scope of the program theme, ensuring if necessary an alternative, always the best experience during your visit.

## BMW R 500 1954 SideCar

The BMW R 500, launched in 1954, is an emblematic motorcycle of German engineering, known for its robust design and 494cc boxer engine.

With a driveshaft and air cooling, it offered reliable performance and comfort for long journeys.

A symbol of elegance and durability, it stood out in the post-war period as an icon of mobility.

Its classic style, with rounded lines and refined finish, made it one of the most desired motorcycles among vintage enthusiasts and collectors.
