## Description

Imagine exploring the most fascinating aspects of Porto, Gaia and Matosinhos aboard an elegant, comfortable and luxurious classic car from the 1970s. An exclusive 4-hour tour designed to provide a journey through time with charm, refinement and breathtaking views. The adventure begins in the heart of Porto, with the soft sound of the classic engine echoing through the narrow, cobble streets of Baixa. On board, you glide elegantly past icons such as the Clérigos Tower, the Sé Cathedral and the emblematic Livraria Lello. The comfort of the vehicle allows you to enjoy the city with tranquility and style.

The tour continues to the banks of the Douro River, in the picturesque Ribeira, where the scenery of colourful houses reflects on the water. As you cross the Luís I Bridge, heading towards Vila Nova de Gaia, the luxury of the classic becomes the centre of attention. In Gaia, the Port wine cellars are a must-see, with time for a brief visit or tasting, while admiring the view from the Serra do Pilar viewpoint. The route continues along the river and follows the coast, passing through the fishing village of Afurada, with its genuine soul and lively traditions. On board the classic, every kilometre is a celebration of the journey.

Arriving in Matosinhos, the atmosphere changes. The sea breeze mixes with the aroma of grilled fish in the air. The tour includes a visit to the Municipal Market, the extensive beaches and the cruise terminal. The impressive sculpture "She Changes" by Janet Echelman marks the scene. This tour is more than a guided tour, it is a sophisticated, comfortable and personalized experience.
